

## Inclusion Ireland Strategy 2023- 2026 Focus Group

Inclusion Ireland are making our new strategy 2023-2026.

A strategy is a plan of what we will work on for the next 3 years. It is also about what we would like to see change for people with an intellectual disability over the next 3 years.

All of our work will be about rights and UNCRPD.

We would like to hear what you think about our new strategy, people with intellectual disabilities, family members and supporters

We will hold 2 focus groups online on zoom on 1<sup>st</sup> December 2022 at 1pm – 2pm and at 7pm – 8pm.

You can register for the 1pm focus group at this link: [Lunch Time Focus Group](#)

You can register for the 7pm focus group at this link: [Evening Focus Group](#)

We will put all the things we hear in the focus group into a report so we can make a good strategy for 2023-2026

We will not use your name or information so you can say what you need to say in the group.

We might not be able to fit everything you would like us to into our new strategy but we will do our best to fit in what we can.

If you would like to contact us directly about our strategy, you can call us on 01 8559891

Or email us on [info@inclusionireland.ie](mailto:info@inclusionireland.ie)

We have 5 questions we would like to ask in the focus group. The questions are on the next page so you can get ready for the focus group
